

Stop 2-factor authentication when logging in

## Step 1

Log in to MijnCN. 

## Step 2

Navigate to 'Account'.

## Step 3

Click on the 'Disable 2-Factor Authentication' link in the 'Account settings' block.

## Step 4

A new window will open.

Verify your identity with your password and the six-digit code from the MijnCN 2-Factor App. Click on 'Next'.

## Step 5

A new window will open.

Click on 'Complete' to confirm the deactivation.
