

Follow these simple steps to change your name

Once you have successfully created an account, you can easily change your user details.

Step 1

Log in to Mijncn. 

Step 2

Navigate to 'Account'.

Step 3

The current name of your account is shown in the 'User details' block. Click on 'Change name' next to this.

Step 4

A new window will open.

The current name is shown.

Enter the new name. Now click on 'Change name'.
