

MijnCN is available in Dutch or English.

Once you have successfully created an account, you can easily change your preferred language.

Step 1

Log in to MijnCN. 

Step 2

Navigate to 'Account'.

Step 3

The current language of your account is shown in the 'User details' block.

Click on 'Change language' next to this.

Step 4

A new window will open.

Select the desired language and click on 'Change language'.
