

Extra safe, change your password regularly

Once you have successfully created an account, you can easily change your password.

Step 1

Log in to MijnCN. 

Step 2

Navigate to 'Account'.

Step 3

Your current password is shown as series of asterisks *** in the 'Account settings' block. Click on 'Change password' next to this.

Step 4

A new window will open. Enter your current password. Now enter your new password and confirm by entering it again.

Make sure the new password contains at least:

- 8 characters
- One capital letter
- One lower case letter
- One digit
- One special character !@#\$%^&*()_

Now click on 'Change password'.

An e-mail confirming the change will be sent to your e-mail address.
